

Easily build revenue momentum with term life

Bestow helps you earn more monthly and stack your successes.

Bestow's low-touch agent experience means selling fast with no case management. Clients can apply in minutes and activate coverage that same day, if approved. Meanwhile, you'll have more free time to concentrate on building your business or starting a new hobby.

Think of it this way: It could take just a few minutes to sell a policy through Bestow. If you sold just 5 policies every month, here's how that could add-up and compound over a 12 month calendar:

Average Commission Sample ¹	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
\$15	\$75	\$150	\$225	\$300	\$375	\$450	\$525	\$600	\$675	\$750	\$825	\$900
\$25	\$125	\$250	\$375	\$500	\$625	\$750	\$875	\$1,000	\$1,125	\$1,250	\$1,375	\$1,500
\$50	\$250	\$500	\$750	\$1,000	\$1,250	\$1,500	\$1,750	\$2,000	\$2,250	\$2,500	\$2,750	\$3,000

The takeaway: over time, you could possibly **add \$3,000/mo (or more) to your monthly revenue** by consistently selling simple, no-case-management term life policies through Bestow.
