

## Meet Breeze, the Insurtech Solving the Disability Insurance Dilemma

Finally, disability insurance is an easy sale.

Breeze offers smart, affordable income protection through a simple online process. Offer your clients quotes in seconds, and if approved, same-day coverage.

## Why disability insurance? Because it's a massive, untapped opportunity

In today's world, working Americans are concerned about their livelihood in the event they become too sick or hurt to work. And with Breeze, selling disability income insurance is literally a breeze.

Many individuals and families are not prepared for some of life's most financially vulnerable moments

**60%**

of Americans don't have enough savings to cover an unexpected \$1,000 expense.

**66%**

of all U.S. bankruptcies are tied to medical issues.

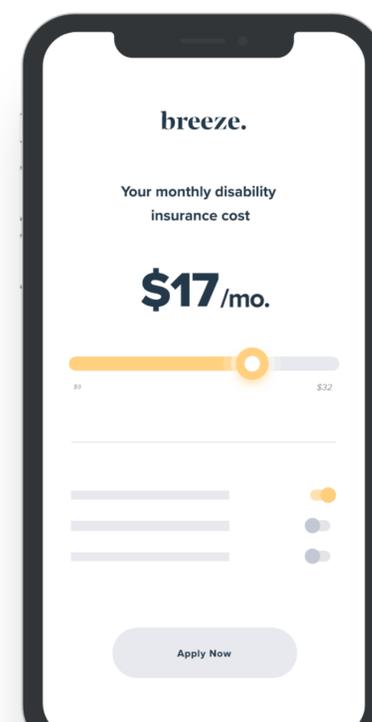

**70%**

of working Americans couldn't make it a month without a paycheck before experiencing financial hardship.

**51 million working Americans are without any disability insurance and over 100 million are without long term disability insurance.**

## Breeze offers the easiest way to grow your disability insurance sales

- Simple, online quoting and application process
- Instant approval for qualifying applicants
- Zero case management
- Competitive commissions
- Policies issued by highly rated insurance carriers

## Products we offer

### Long-Term Disability Insurance

Long-term disability insurance pays direct monthly benefits that can start in as little as 30 days and last up to retirement age if your client is unable to work due to illness or injury.

### Critical Illness Insurance

Critical illness insurance pays a direct lump-sum benefit up to \$75,000 if your client is diagnosed with cancer, heart attack, stroke, or another covered critical illness.

### Short-Term Disability Insurance

Pays you direct weekly benefits that can start immediately and last up to 2 years if you become too sick or hurt to work, or take family medical leave to care for a child, spouse, or parent.
