Prescription drug plans (PDPs)

We look forward to offering our current benchmark SilverScript Choice and SilverScript Plus plans in all 50 states and Washington, D.C. SilverScript Plus is our richest product, offering a \$0 deductible, \$0 Tier 1/Tier 2 drugs during the initial coverage and gap phases, and select insulins for \$35/month at network pharmacies. We expect SilverScript Choice plans to offer a \$0 premium for your prospects receiving full Extra Help.

The SilverScript SmartRx plan is being renamed the SilverScript SmartSaver plan and will not be commissionable for new sales. Please note that clients you previously enrolled in SilverScript SmartRx will remain enrolled in the SilverScript SmartSaver in 2023, and you will continue to receive renewal commissions for these members.
