Lace Up Your Bowling Shoes for a Great Cause!

Join us for our 8th annual Lanes for Lane fundraiser: A night of fun, food, prizes, and more in support of The Lane Thomas Foundation!

Why Your Support Matters

The Lane Thomas Foundation is close to our hearts at OCI. It was established by a family in our local Elkhorn community in remembrance of their son, serving as an enduring way to remember the light and hope he brought to the world.

Similar to how OCI works with agents who help people in covering all things medical when accidents happen, The Lane Thomas Foundation assists families of children undergoing life-saving organ transplants with all the non-medical costs, allowing them to focus on their child and keeping their family together.

★ 100% of all event proceeds go directly to The Lane Thomas Foundation. The foundation is a 501(c)(3) non-profit, so your contribution is completely tax deductible.

Read about Lane's story and the foundation's mission at www.lanethomas.org.
