

Introducing Our Q3 Endurance Bonus

The Endurance Bonus rewards agents who stay active in each month of Q3. Even though we're announcing it now, every short-term medical policy you've written since the quarter began will count. This means everything you've produced so far in Q3 is included.

Here's how it works:

- Write two or more STM policies each month in July, August, and September.
- If you meet this goal in all three months, you'll earn \$50 for every qualifying STM policy you write in Q3, up to \$500 per agent.
- You need to qualify in all three months, so you'll finish once you've produced in July, August, and September.

Stay active each month to work toward your payout.

Bonuses will be paid once in **November 2026**, about 30 days after the quarter ends.

Keep going. Keep earning. Finish strong.

Bonus Rules

There is a baseline of 2 short-term medical applications per month with a duration of 180 days or more during Q3 2026.

Once this baseline is met, the Endurance bonus pays out back to the first submitted application up to \$500 per agent.

All eligible plans must be submitted **July 1 through September 30, 2026** with effective dates through October 1, 2026.¹

¹Only short-term medical policies apply. Each policy must stay active for at least 30 days after its effective date to count toward both qualification and payout. Total monthly premium rate on short-term medical plans must exceed \$100 to qualify. Total payout is capped at \$500 per agent.

Bonuses will be paid in November 2026, approximately 30 days after the close of the quarter.

Eligible agencies are determined at the sole discretion of Pivot Health.

Pivot Health reserves the right to charge back if the minimum requirements are not met.

Bonus payout will follow assignment of commissions.

Pivot Health, at its sole discretion, can disqualify any producing agency or agent in the event of erroneous or fraudulently submitted applications, or duplicate applications.

Product availability varies by state; [see plan options](#).
