Re: Amendment to Agent Agreement

Dear Agent:

This "Letter Amendment" amends your UnitedHealthcare Insurance Company ("Company" or "United") Agent Agreement (the "Agreement") as follows:

1. The Agreement is hereby amended to include the 2027 PDP and MA Plans Commission Schedule, including a restated and amended Appendix A listing of non-commissioned plans, attached hereto as Exhibit 1 for applications with effective dates on or after January 1, 2027.

   For clarification, the restated Appendix A is divided into two parts. Part I identifies the generally applicable non-commissioned plans and counties, and Part II separately identifies D-SNP plans that are non-commissioned because they are closed for new enrollment due to Medicare/Medicaid integration requirements. Both parts collectively constitute Appendix A and identify the plans and counties for which commissions will not be paid for applications with effective dates on or after January 1, 2027.

   For additional clarification, the plans and counties identified in Exhibit 2 attached hereto were previously included on the applicable list of non-commissioned plans and counties but have been removed from the restated Appendix A. Accordingly, the Company will pay commissions for qualifying applications for the plans and counties identified in Exhibit 2 that are signed on or after October 1, 2026, with effective dates on or after January 1, 2027, subject to the terms and conditions of the Agreement and the 2027 PDP and MA Plans Commission Schedule. Exhibit 2 is hereby incorporated into and made part of this Letter Amendment.

2. The PDP and MA Plan Commission Schedules, for non-Special Needs Plans HMOs, for CMS Plan Years 2020 through 2026 are hereby amended as follows, effective January 1, 2027:

For the first 3 years of the retention period, records must be maintained in audio format. 7. The Agreement is hereby amended to revise the Payment Terms section of Exhibit E to the Agreement, the Agent HRA Agreement, for HRAs completed in connection with enrollments with application effective dates on or after January 1, 2027, as follows:

   i. The first bullet under the "Payment Terms" section of Exhibit E is amended by replacing "$50" with "$25" with respect to HRAs completed in connection with enrollments in eligible Dual Special Needs Plans or Chronic Special Needs Plans with application effective dates on or after January 1, 2027. All other terms of Exhibit E remain unchanged.

REFERENCE ONLY

In the event that Agent does not agree to the amendment set forth in this Letter Amendment, Agent must notify the Company that Agent is terminating the Agreement within thirty (30) days following the date of this Letter Amendment, in which case the Agreement shall be immediately terminated.

The terms and conditions set forth in the Agreement, as amended and modified by this Letter Amendment, shall continue in full force and effect. In the event there is any inconsistency or conflict between the provisions in this Letter Amendment and those in the Agreement, the provisions in this Letter Amendment will supersede and control. III. MEDICARE SUPPLEMENT INSURANCE PLANS WHICH CARRY THE AARP NAME

2027 POLICY EFFECTIVE DATES

The Company will compensate Agent and its Representatives as shown in the Commission Schedule for each individual properly enrolled in a Medicare Supplement insurance plan that carries the AARP name ("AARP Med Supp Plan") and that Agent is approved and authorized to market and promote. Agent and its Representatives may only market and promote AARP Med Supp Plans insured by UnitedHealthcare Insurance Company of America, if specifically authorized by way of a separate notice from the Company (not applicable in ND).

The commission payments listed at each level are net of compensation payable to all lower sales levels. To the extent any sales level is not involved in the sale of the AARP Med Supp Plan, the compensation payable to such sales level shall roll-up and be payable to the next higher sales level. The maximum amount payable at each sales level will not exceed the sum of that level and each of the lower sales levels. Payment will be made in the next scheduled commission payment cycle following the entry of a qualifying application into the Company's enrollment system.

The Compensation Schedules have been filed for approval with the applicable state regulatory agencies and are subject to state approval. The Company may modify the compensation rates as required for state approval and will communicate any such modification as appropriate.

1. Payment of commissions noted in Section 2 shall be made in compliance with applicable state laws and regulations and subject to the provisions of the Agreement, including the following terms and conditions:

    a. Commissions due to Agent shall be calculated as shown in the applicable commission schedule. In Washington, commissions shall be calculated as a percentage of the then-current premium amount as required by applicable law.

    b. Commissions are payable only when premium payments are current and no late premium payments are due. Agent shall not be entitled to commissions (including over-riding commissions) on premiums which would be owed for any AARP Med Supp Plan but which have been waived by the Company.

    c. A nine-month commission advance is paid on all AARP Med Supp Plan sales once the first month premium has been paid (except in limited circumstances as may be determined by the Company, including but not limited to that noted in subparagraph d.i. below).

    d. No commission will be paid for any plan change from an existing AARP Med Supp Plan to another AARP Med Supp Plan, except as otherwise noted below:

        i. Internal Replacements – Commissions will be paid when 1) an AARP Med Supp Plan insured by UnitedHealthcare Insurance Company of America replaces an AARP Med Supp Plan insured by UnitedHealthcare Insurance Company or UnitedHealthcare Insurance Company of New York, or 2) an AARP Med Supp Plan insured by UnitedHealthcare Insurance Company or UnitedHealthcare Insurance Company of New York replaces an AARP Med Supp Plan insured by UnitedHealthcare Insurance Company of America, as follows:

            a) The commission amount payable will be 100% of the new replacement policy's commission schedule. Further, the amount for year 1 will equal 100% the year 2 amount for the new replacement policy. Such commissions are only payable as noted in b) and c) below.

REFERENCE ONLY

b) Commission will be payable to the writing agent of the original policy only if the original writing agent is active, certified, licensed in the state of the replacement policy, and appointed to the underwriting company of the replacement policy, at the time the application was taken for the replacement policy.

c) Commission will be payable to the replacing agent only if the writing agent of the original policy is not active, at the time the application is taken for the replacement policy and the replacing agent is active, certified, licensed in the state of the replacement policy, and appointed in the state of the replacement policy at the time of application is taken for the replacement policy. If the replacement policy is an AARP Med Supp plan insured by UnitedHealthcare Insurance Company of America, the replacing agent must have been authorized to sell such plans (by separate notification from United) prior to the time of application.

d) For subsequent Internal Replacements beyond the initial Internal Replacement, commissions noted in a) above will be determined in accordance with b) and c) above. In such cases, for the purposes of b) and c) above, the "writing agent of the original policy" will be the agent determined to be eligible for commission at the time of the immediately prior Internal Replacement, regardless of whether commission was paid/payable on such policy.

e) No commission advance is paid for Internal Replacements.

e. The commission amount payable for year 1 will be equal to the year 2 amount when the sale of an AARP Med Supp Plan replaces another carriers' Medicare Supplement Plan. In New York, this also applies when the sale of the AARP Med Supp plan replaces another carriers' Medicare Advantage Plan.

f. Commissions are not payable for any sale of an AARP Med Supp Plan where the applicant's premium will be paid (in whole or in part) by a third-party payer. Note that third party payer does not include a family member or personal guardian of the applicant.

g. Commissions are not payable for any individual/applicant who is under the age of 65 as of their plan effective date except as noted in the following states where required:

i. **CA (only during the first six months of Medicare Part B enrollment)**

ii. **CO, FL, ID, IL, IN, KS, ME, MN, MO, MT, NY, OR, PA, TN and WI**

In these cases, the age 65+ commission applies. In MN, for years 1-4, commissions for all levels will be paid at 15% of the 65+ rates. In PA and TN, for years 1-6, commissions for all levels will be paid at 5% of the 65+ rates. Further in these cases, no commission is payable beyond year 6 in the states of CA, PA and TN, and beyond year 4 in the state of MN.

h. If any AARP Med Supp Plan lapses for a period exceeding three (3) months and is not subsequently reinstated, there shall be no further obligation upon the Company to pay compensation hereunder for such AARP Med Supp Plan unless said plan is reinstated through the direct efforts of Agent or its Representatives, as authorized and determined by the Company.

i. Notwithstanding commissions payable in the state of Washington, the Company shall have the right to cumulate any commissions due to Agent until such commissions equal at least twenty dollars ($20.00).

j. If the Company refunds any premium for any reason, Agent is indebted to the Company for any Agent commissions paid on that premium. Agent shall reimburse the Company for the premiums and commissions within thirty (30) days of the Company's written request.

REFERENCE ONLY

k. Any unearned commissions will be recovered on lapses (terminations of coverage). In the event of death, the Agent is paid commission through the end of the month in which the member died.

l. Any unearned commissions paid on an AARP Med Supp Plan that is terminated or surrendered will be charged back in full to all levels that were paid for that plan.

    i. Charge-backs will be recovered from the next available commission check.

    ii. If there is not enough new business to offset this charge-back, the balance of the charge-back is rolled to the next commission statement. This continues until the charge-back is repaid in full.

m. Commissions are not payable for any sale of an AARP Med Supp Plan to an individual who may be eligible for AARP branded coverage through intermediary organizations such as employers, unions or other groups.

n. For any individual/applicant who is eligible for guaranteed issue coverage outside of his/her open enrollment period (i.e., the first 6 months of an individual's Medicare Part B enrollment) as of the plan effective date:

    i. For years 1-6 (1-7 for OH and TX), commissions for all levels will be paid at 5% of the 65+ rates, **except in the states of CO, CT, FL, ID, IN, MA, MT, NY, OR, SC, VT, WA and WI.** In these states, the full 65+ commission rates apply. In MN, for years 1-4, commissions for all levels will be paid at 15% of the 65+ rates.

    ii. For years 7-10 (8-10 for OH and TX), commissions are not payable, **except in the states of CO, FL, MA, MT, OR, SC, WA and WI.** In these states, the full 65+ commission rates apply. In MN, for years 5-10, commissions are not payable.

o. The Company reserves the right to recover commissions in any lawful way as appropriate.
